The Kings and Queens of #techprom

With just over one month until the 2013 #techprom, it is time for us to send a big shout out to the tremendous group of companies, organizations and individuals supporting CDT's annual dinner. Without them, the #techprom would be another boring, DC, rubber-chicken dinner [2].

We are looking forward to hearing from two amazing speakers – Ambassador Eileen Donahoe [3] and Mitchell Baker of Mozilla [4]. We'll post previews of their comments here in the next few weeks.

Haven't yet signed up to support the #techprom? Don't panic! There's still time to get in on the fun – to find out more, go to www.cdt.org/dinner2013.

Much thanks to our growing list of Prom Kings and Prom Queens, and we look forward to seeing you at the #techprom on Tuesday, March 5, 2013.
